

Crescent Homes has been named one of the 40 fastest-growing companies in South Carolina for 2019 by SC Biz News.

Twenty large companies and 20 small companies have been named to the statewide <https://scbiznews.com/events/2019-roaring-twenties-september-26-2019/> list presented annually by [SC Biz News](#). This honor recognizes the state's fastest-growing companies based on both dollar and percentage increases in revenue from 2017-2018.

In order to qualify for the Roaring Twenties designation, companies must have a physical presence in South Carolina and be a for-profit entity or a nonprofit organization (EXCEPT FOR: government entities and charitable organizations, including 501(c)3 organizations. These types of nonprofits are not eligible).

Company size was determined by gross revenue: A small company was considered as having \$10 million and under in revenue. Large companies were classified as having over \$10 million in revenue. Small companies must have had revenues of at least \$500,000 each year for the years 2016, 2017 and 2018.

Profiles of the winning companies will be published in the winter issue of [SCBIZ magazine](#). The winners will be honored at an event on Sept. 26 at the DoubleTree by Hilton Columbia.
