

UPGRADE YOUR HOME, UPGRADE YOUR LIFE

Tresidio Homes is now offering Smart Home technology in our homes

SMART HOME FEATURES

Conveniently control all of your smart home features from a one app solution.

The **alarm.com app** allows you to control all of your smart home features quickly and easily from your phone anywhere, anytime. Tresidio homeowners receive the alarm.com app **free for 3 years**.

KWIKSET SMART LOCK

Enjoy increased convenience and improved security. Remotely lock/unlock your home with the alarm.com app. Never lose or fumble for keys again.

CHOOSE YOUR THERMOSTAT

HONEYWELL T6 PRO - INCLUDED

This Wi-Fi programmable thermostat lets you manage heating and cooling your way. With flexible scheduling, you can change it from day-to-day, on weekends, or all week long.

ALARM.COM THERMOSTAT

This thermostat monitors the heating and cooling systems, and takes cues from the security panel and sensors located throughout the house. It uses real-time data to adapt quickly to changes in the routine.

CHOOSE YOUR PANEL

QOLSYS HUB

The central hub of your smart home, this 7" touchscreen panel connects a range of features with Bluetooth capability, Wi-Fi integration, Z-Wave access, and cellular connectivity. Control your front door lock, thermostat, garage doors, video doorbell and more all from the Qolsys HUB.

QOLSYS IQ4

The next generation hub. Features audio streaming with four two-way voice speakers, built-in 8MP camera, and improved all-in-one range, differentiating features and integrations.

ALARM.COM VIDEO DOORBELL

This hands-free, touchless, Wi-Fi video doorbell offers two-way voice through the Alarm.com app. Get an alert when a visitor approaches or rings your video doorbell. Open the app to see and talk to them. Unlock the door and lock it again, all from the video doorbell call screen.

ALARM.COM INDOOR & OUTDOOR CAMERAS

Smart cameras let you see everything that matters, inside and out. Customize video alerts to focus on people, vehicles, animals or your property. Get video clips of kids arriving home, or check in with a quick call through your camera.

Optional Upgrade

Tresidio Homes has also partnered with Fisher Systems to offer our homeowners peace of mind. Sign up for security monitoring with Fisher Systems to arm and disarm your home from your alarm.com app. To schedule an appointment with Fisher Systems to sign up for security monitoring, call Caleb Stedman with Fisher Systems at 208-553-0666 or 208-746-1071.
