

10 Month Warranty Touch Point Request Form

Purchasers: [REDACTED]

Today's Date: [REDACTED]

Subdivision: [REDACTED]

Lot: [REDACTED]

Address: [REDACTED]

Phone: [REDACTED]

Below is a complete list of warrantable items discovered on or before the 10-month Client Care Touch Point visit. Drywall nail pops and interior trim caulk are addressed at this 10-month appointment. If you have had a private inspection of your home, the warrantable items must be listed on this form and a copy of the inspection report submitted with this form as well. (Please do not just forward your private inspection report without this completed form.) Your list of all warrantable items must be submitted prior to the 10-month Client Care visit. Future claims are to be submitted to Homes by Dickerson according to the terms of the limited warranty.
