The Stanly

The Stanly is a spacious, modern house plan designed for comfort and functionality. It features a primary bedroom on the main level and three additional bedrooms upstairs with a shared bathroom. Upon entering, an inviting layout seamlessly connects the living room, dining area, and kitchen. The open design enhances natural light and creates an expansive feel perfect for daily living and entertaining. The primary bedroom suite on the main floor offers privacy and convenience, with a generously sized bedroom, ensuite bathroom, and ample closet space. Upstairs, three bedrooms each have unique charm and are versatile spaces for children, guests, or a home office. They share a centrally located bathroom with all necessary amenities. Whether enjoying family gatherings in the open main floor or finding quiet retreats in the upstairs bedrooms, this house plan caters to diverse lifestyles with style and practicality.
