# The Wake

The Wake floorplan by New Leaf Builders lives large at 1,971 sq feet with 3 bedrooms, 2.5 baths and an open floor plan. This home is the definition of southern living. Taking design inspiration from a classic farmhouse, this home features a spacious front porch and an optional back porch. The main floor boasts a large open-concept living room and kitchen with space for a dining table to connect the two spaces. Imagine yourself curled up by the fire as the smell of a home cooked meal fills the room – this house is large on living. The second floor features 2 bedrooms and a primary suite with a spacious primary bathroom with a walk-in closet. This is a home that you can grow old with.
