ABOUT THE PLAN

The Auburn rambler floor plan has 3 beds and 2 baths, creating the perfect living space for your family by having the bedrooms right off the entry and main living space. The owner's suite next to the great room includes an owner's bathroom with a walk-in closet to better fit your needs. A mudroom off the garage provides room for all your go-to necessities from keys to school-books and shoes, with the laundry nearby. In the kitchen, you'll find a large walk-in pantry and an island with a sink for ultimate convenience.
